

Shellac, Be Prepared

I was born wearing pants
"be prepared"
I was born standing up
"be prepared"
don't be ashamed
you were born adored
be prepared

I was born in ...
"be prepared"
I was born with twenty bucks in my pocket
"be prepared"
don't be alarmed
we mean you no harm
be prepared

I was born already bald
be prepared
I was born wearing spats and a dickie
be prepared
don't be ashamed
you were born adored
be prepared
be prepared
