

Shellac, My Black Ass

Gonna eat what I pick
And I hope you choke on it
I'm proud to break a sweat

Too late
The sideshow pays
It's a Gary Cooper story
and it shines like sammy's knee

Babe eat what I pick
And I hope you choke on it
When I care to reach the dead
With a nickel in my hat
I wanna get your big smile
I'm proud to break a sweat

My black ass
