

Shellac, The Admiral

It comes as no surprise he's taken by surprise
It comes as no surprise he's taken by surprise
That's the man, I say his always ahead
That's the admiral his taking in his cock

It comes as no surprise he's taken by surprise
It comes as no surprise he's taken by surprise
That's man who says it's your turn in the barrel
That's the admiral taking in his cock

She walked into the admiral
Looking for someone
Show me what you can do he asked
