

# Shelley Pete, I Just Wanna Touch

I don't wanna maul you at all  
You know I kinda like you too much  
It would be great if we could relate this way  
Cos I, I just wanna touch  
I don't wanna play the old roles  
You know like taking turns to be butch  
Don't want our love to be over in minutes  
And so I, I just wanna touch  
Oh I wonder if you understand  
That oh just having you near  
Is better than all of those one night stands  
I hope that you don't get me wrong  
You see I'm not perverted as such  
Just wanna love that is more than mere fantasy  
So I, I just wanna touch  
I, I just wanna  
I, I just wanna  
I, I just wanna touch  
I, I just wanna  
I, I just wanna  
I, I just wanna touch  
Oh I wonder if you understand  
That oh just having you near  
Is better than all of those one night stands  
I don't wanna maul you at all  
You know I kinda like you too much  
It would be great if we could relate this way  
Cos I, I just wanna touch  
I, I just wanna  
I, I just wanna  
I, I just wanna touch  
I, I just wanna  
I, I just wanna  
I, I just wanna touch
