## Shelley Pete, I Just Wanna Touch

I don't wanna maul you at all
You know I kinda like you too much
It would be great if we could relate this way
Cos I, I just wanna touch
I don't wanna play the old roles
You know like taking turns to be butch
Don't want our love to be over in minutes
And so I, I just wanna touch
Oh I wonder if you understand
That oh just having you near
Is better than all of those one night stands
I hope that you don't get me wrong
You see I'm not perverted as such

Just wanna love that is more than mere fantasy

So I, I just wanna touch

I, I just wanna

I, I just wanna

I, I just wanna touch

I, I just wanna

I, I just wanna

I, I just wanna touch

Oh'l wonder if you understand

That oh just having you near

Is better than all of those one night stands

I don't wanna maul you at all

You know I kinda like you too much

It would be great if we could relate this way

Cos I, I just wanna touch

I, I just wanna

I, I just wanna

I, I just wanna touch

I, I just wanna

I, I just wanna

I, I just wanna touch
