

Shelter, Here We Go

Sure he uses love for sex
And sure she uses sex for love
And they're both hoping for the best
I also have that dream you're thinking of
If we place a blindfold on our eyes
Then iron and gold appear the same
It's intense hope that makes us try

(so we go on and play the game)

And once again we get attached we think we've found the answer
(here, here, here we go again)
Ran into many walls but I know I'll get that answer
(here, here, here we go again)

we love not wisely but too well

were hoping she will be the one,
but we never learn from our mistakes
based on beauty love soon dies
then we make our move to separate

yes iron and gold appear the same
but one is costly to obtain
and I'll be the only one to blame
but if I resist I know I'll gain

and once again we get attached we think we found the answer
(here, here, here we go again)
ran into many walls but I know I'll get that answer
(here, here we go again)

we love not wisely but too well
we love not wisely but, not wisely but too well

yes iron and gold appear the same
but one is costly to obtain
and I'll be the only one to blame if I go on and play the game

and once again we get attached we think we've found the answer
(here, here, here we go again)
ran into many walls but I know I'll get that answer
(here, here, here we go again)

yes here we go again

we love not wisely, we love not wisely but too well
