

# Shemsi, Say You Will Be Mine

It's the fallin in love thats makin me high  
It's the wondering around thats makin me cry  
Every night I'm away, there is nothin I can do about it  
You've got to know what I mean when I ask do you love me?

Say, say you will be mine,  
I need you by my side  
True love is so hard to find  
Say, say you will be mine,  
youre always on my mind untill the very end of time

It's the being in love thats makin me blue  
It's the dreamin of you thats makin me happy  
Every minute of today seems like yesteday can't belive that I feel this way  
For my heart can't wait, so listen to me I'm fallin for you now

Say ohhh say ohhh!!  
Say, say you will be mine,  
I need you by my side  
True love is so hard to find  
Say, say you will be mine,  
youre always on my mind untill the very end of time
