Shenandoah, Two Dozen Roses

I brought flowers to your door last ni-ight.
I done you wrong and I wanna make it ri-ight.
You say I'm not welcome here,
I know it oughta be perfectly clear.
But I can't help but wonder what it might be like.....

(Chorus)
If I had two dozen roses,
And an older bottle of wine.
If I really coulda hung the moon,
Would you change your mind?

If I could cry a little harder.
And get a little less sleep at night.
If I had two dozen roses,
Would it change your mind?

Oh I musta been a fool back then.
To lose somethin' that you can't have again.
I've done all that I know to do.
and second guess my every move.
But I can't help but wonder how it might have been--

(Chorus)
If I had two dozen roses,
And an older bottle of wine.
If I really coulda hung the moon,
Would you change your mind?

If I could cry a little harder.
And get a little less sleep at night.
If I had two dozen roses,
Would it change your mind?

If I could cry a little harder,
And get a little less sleep at night.
If I had two dozen roses would it change your mind?
Baby, would you change your mind?
Oh, baby would you change your mind..?
