## Shenoah, Ashes To Ashes

Mirrors and makeup With lipstick scars Shattered the reasons We've come this far Streets of my getaway Treason in your dirty misery Broken faded memories Dying deep within the flames Again they burn Let's tear it down Ashes to ashes Please forget me Plastic deceiving You've played your part An actress believing In her time bomb heart Rewind in slow motion Dancing in bed Over again Broken faded memories Dying deep within the flames Again they burn Let's tear it down Ashes to ashes Please forget me Contents in my head Dig my grave What if this was dead Would it feel the same
