

# Sherrie Austin, Back Where I Belong

Back where I belong  
Back inside in the heart  
That was always true  
While I was out there playing the fool, playing the fool

I wasn't gone that long  
But baby I was gone  
Long enough to know  
That I was wrong for letting you go, letting you go

I'm back where I belong  
With a love for you so strong

Back where I belong  
Back inside the arms  
That were open wide  
Even after me telling you lies, telling you lies

I know I was wrong  
But baby I was wrong enough to prove  
There's nothing better than being with you, being with you

I'm back where I belong  
Back here in your arms  
Back where I belong

Woah, woah, woah, woah  
How could I doubt you  
Or live without you  
Woah, woah, woah, woah  
Where was I running to, ay yeah  
Ay yeah, ay yeah

Back where I belong  
Back inside the heart  
That was always true  
While I was out there  
Playing the fool, playing the fool

I wasn't gone that long  
But baby I was gone  
Long enough to know  
That I was wrong for  
Letting you go, letting you go

I'm back where I belong  
With a love for you so strong  
So strong, so strong  
Back where I belong
