

# Sherrie Austin, You Keep On Lovin' Me

I don't know how you do it  
I swear you act just like there's nothing to it  
And you do it so naturally

And I don't know how you take it  
Sometimes I'm not so sure we're gonna make it  
But you keep your faith in me

Oh there are nights we lose the touch  
And days that come and go so fast  
And times that it takes all we got  
To try and make the feeling last

But you keep on lovin' me  
You keep on lovin' me

And I know I've hurt you sometimes  
Thoughtlessly I call you names and criticize  
But you take it all in stride  
Oh yeah, still you come around  
Though I know there've been times I've let you down  
But here you stand by my side

Oh there are nights we lose the touch  
And days that come and go so fast  
And times that it takes all we got  
To try and make the feeling last

But you keep on lovin' me  
You keep on lovin' me
