

Sheryl Crow, Diamond Road

Walk with me the diamond road
Tell me every story told
Give me something of your soul
That I can hold onto
I want to wake up to the sound of waves
Crashing on a brand new day
Keep the memory of your face
But wipe the pain away o

[CHORUS:]

When you're lonely (you're not alone)
When your heart aches (on Diamond Road)
It's gonna take a little time
Yeah, it's gonna take a little time
When the night falls (you're not alone)
When you're stumbling (on Diamond Road)
It's gonna take a little time
To make it to the other side o
So don't miss the diamonds along the way

Every road has led us here today
Little bird, what's troubling you
You know what you have to do
What is yours you'll never lose
And what's ahead may shine
Beneath the promise of blue skies
With broken wings we'll learn to fly
Pull yourself out of the tide
And begin the dream again

[CHORUS]

So don't miss the diamonds along the way
Every road has led us here today
Won't you shine on
Morning light
Burn the darkness away
Walk with me the Diamond Road
Tell me everything is gold
Give me something of your soul
So you don't fade away

[CHORUS]

Don't miss the diamonds along the way
Every road has led us here today
Life is what happens while you're making plans
All that you need is right here in your hands.
