

Sheryl Crow, I shall believe

Come to me now
And lay your hands over me
Even if its a lie
Say it will be alright
And I shall believe
Im broken in two
And I know youre on to me
That I only come home
When Im so all alone
But I do believe
That not everything is gonna be the way
You think it ought to be
It seems like every time I try to make it right
It all comes down on me
Please say honestly you wont give up on me
And I shall believe
And I shall believe
Open the door
And show me your face tonight
I know its true
No one heals me like you
And you hold the key
Never again
would I turn away from you
Im so heavy tonight
But your love is alright
nd I do believe
That not everything is gonna be the way
You think it ought to be
It seems like every time I try to make it right
It all comes down on me
Please say honestly
You wont give up on me
And I shall believe
I shall believe
And I shall believe
