

# Sheryl Crow, I Will Walk With You

Cover your heart  
Put on mask  
Dance with my slowly  
Is all that i ask  
What is the hardest?  
Falling in love  
Knowing just where to begin or start

I will walk  
I will walk with you  
I will walk with you

Lay down beside me  
Tell me your dreams  
The view from inside  
Is not what it seems  
But no one will hurt you  
Not like before  
Your last thread of forgiveness  
Won't reach the door no..

I will walk  
I will walk with you  
I will walk with you  
I will walk  
I will walk with you...yeah..

Pull up the curtains  
Watch the night fall  
Who has the answers  
When no body calls?  
Now the life fury  
Blame the sunrise next  
Beuase i was in love with you  
But i can't change the past

I will walk  
I will walk with you  
I will walk with you
