

# Sheryl Crow, Sway

(by Rolling Stones)

Did you ever wake up to find  
A day that broke up your mind  
Destroyed your notions of circular time

It's just that demon life that got you in its sway  
It's just that demon life that got you in its sway

Ain't flinging tears out on the dusty ground  
For my friends up on the railway upperbound  
Can't stand the feeling getting so brought down  
There must be ways to find out  
Love is the way they say is really strutting out

One day I woke up to find  
Right in the bed next to mine  
Someone who broke me up with a corner of her smile
