

# Sheryl Crow, You Want It All

You pick up the pieces  
There's no looking back  
There's no use in crying over what you never had  
Please Mr. Pleaser  
Don't leave us here so sad  
Cause you want it all  
Cause you want it all

I got the news this morning  
Something better came along  
That's no kind of warning  
When a good thing's gone wrong  
But I got a feeling you'll be calling me back up  
Cause what you had and what you want  
Will never be enough  
Cause you want it all  
Cause you want it all  
Oh, what you gonna do when your heart begins to fall  
One of these days you'll be down on your knees  
Begging me please, yeah  
Yeah

Ohh ohh, ohh ohh  
Ohh ohh, ohh ohh  
Yeah  
Ohh, ohh  
Ohh ohh, ohh ohh  
Yeah, yeah

I got the news this morning  
Something better came along  
That's no kind of warning  
When a good thing's gone wrong  
But I got a feeling you'll be calling me back up  
Cause what you had and what you want  
Will never be enough  
No what you had and what you want  
Will never be enough  
Cause you want it all  
Cause you want it all  
Oh, what you gonna do when your heart begins to fall  
One of these days you'll be down on your knees  
Begging me please,

Ohh ohh, ohh ohh  
Ohh ohh, ohh ohh  
Yeah  
Ohh, ohh  
Ohh ohh, ohh ohh  
Yeah, yeah

Cause you want a lover  
And you want a friend  
Cause You want it all baby  
Straight to the end, yeah  
Ohh yeah yeah yeah
