

Shifty, Starry Eyed Surprise

Hey DJ
Tonight
Im seeing stars

Once again, I find myself with my friends
Dancing the night away
Its like the party never ends
Then again we dont want it to stop
Cause tonights the night
It goes sweatbox, laser beams, flashing lights
Wild cards, Men from Mars
Dressed in Stars and stripes
Eclectic electric
Ladies of the evening
Drinking booze and mingling
Mashing to the music, I can do anything
Freaky dicky star speckles and pink butterflies
And life is nice, so nice.
I walk into a club and Ive found paradise
Im seeing stars, I cant believe my eyes

Oh my starry eyed surprise, sundown to sunrise
Dance all night
We're gonna dance all night
Dance all night to this DJ
Ah Sugar, dance all night to this DJ
Oh my starry eyed surprise, sundown to sunrise
Dance all night
We're gonna dance all night
Dance all night to this DJ

Like the record spins on the trails we blaze
The walls are closing in but thats ok
Because Ive been waiting all week to feel this way
And it feels so good, so good
I'm on top of the world
The coolest kid in the neighbourhood
So let me be your star for one night, that's right
Sweatbox, laser beams, flashing lights
You've got to feel the rush
Feel the spice of life, love-life
Shifty rolls the dice snake eyes surprise
Iceing..Mesmorizing.
The minds are sick ones
Cause what we are, is victims of fun
Come on, come on, the fun is just begun
Come on the fun is just begun.. Ha Ha!!
