

# Shihad, Interconnector

tell me its the same  
you can't win if you don't play the game  
but your fake rebellion  
is just so fuckin' annoying  
my big hero's a garbage collector  
a big hair - an interconnector  
he not waiting for the next big thing  
he got the class bullshit protector

yeah - we got something to prove  
yeah - we got something that's true now  
I hope you're getting it too  
got nothing better to do

then again - keeping kiddies safe  
the false image of men  
i just gotta tell ya  
shit from an interconnector  
I'm getting into the mini  
driving away  
because me and my TV  
ran out of something to say  
what's to say?

yeah - we got something to prove  
yeah - we got something that's true now  
I hope you're getting it too  
got nothing better to do
