

Shihad, My Mind's Sedate

I trust the police and the government,
Suck down corporate sentiment.
Home for dinner, watch TV,
Caught in the middle of a shopping spree.

My mind's sedate (x8)

Home entertainment and a boring car,
(My mind's sedate)
If I try to run, I wouldn't get that far,
(My mind's sedate)
Extract the venom, spit it over the shoulder,
(My mind's sedate)
I'm a victim of a 'Sally make-over'.

My mind's sedate (x8)

You can't run away,
If you don't have a brain.
Deal with it.

It's alright (x14)
It's alright...is it?

I trust the police and the government,
Suck down corporate sentiment,
Home for dinner, watch TV,
Caught in the middle of a shopping spree.

My mind's sedate (x8)

You can't run away,
If you don't have a brain,
Deal with it.

You gotta deal with this,
My minds' sedate.
