

# Shindig, Falling

there's something  
i can't explain  
about you  
that makes me weak.  
i lose my breath  
to feel your touch.  
i'm helpless.  
rescue me.

i see you  
and i can't speak.  
emotion  
gets the best of me.  
so sweetly,  
i dream of of you.  
complete me.  
i need you.

your eyes, your eyes.  
oh, how they shine.  
i can see the relection of the stars in your eyes.  
as i gaze, as i gaze  
i see everything  
i've been searching for.  
catch me i'm falling.
