Shinedown, Save Me (Acoustic)

Was::::

I've got a candle
And I've got a spoon
I live in a hallway with no doors and no rooms
Under the window ceil they all was found
Such a concrete within a doorway
Without a sound

Chorus:
Someone save me if you will
And take away all these pills
And please just save me, if you can
From the blasphemy in my wasteland

How did I get here
And what went wrong
Couldn't handle forgiveness
Now am far beoynd gone
And I can hardly remeber the look of my own eyes
How could I love this
My life is so dishonest
It made me compromise

Chorus(x1)

Jump in the water
Jump in with me
Jump on the altar
Lay down with me
My hardest question too answer is why

Chorus(x1)

Some one save me (x3)
Somebody save me
Somebody save me
Please don't erase me

Should be::

I've got a candle
And I've got a spoon
I live in a hallway with no doors and no rooms
Under the window sill they all was found
Touch of concrete within a doorway
Without a sound

And take away all these pills
And please just save me, if you can
From the blasphemy in my wasteland
