

# Shing02, One Note Rap

This is just a little rap song  
Built upon a simple note  
Other styles are bound to follow,  
But the root is still hiphop  
Now this new one is the consequence  
Of the one we've just been through  
As I'm bound to be the unavoidable consequence of you  
There's so many rappers who can rap and rap and rap  
and just say nothing  
Or really nothing  
they have used up all the styles we know  
And at the end we've come to nothing  
Or nearly nothing  
So I come back to my first note  
As I must come back to you  
I will pour into this one mic  
All the love I feel for you  
Anyone who wants the whole show  
Let him be the one fa sho  
He will find himself with no show  
Better go for what you know

There's so many rappers who can spit and spit and spit  
and just say nothing  
Or really nothing  
they have used up all the styles we know  
And at the end we've come to nothing  
Or nearly nada  
So I come back to my first note  
As I must come back to you  
I will pour into this one mic  
All the love I feel for you  
Anyone who wants the whole show  
Let him be the one fa sho  
He will find himself with no show  
Better go for what you know
