

# Shinhwa, As Long As You Love Me

Although loneliness has always been a friend of mine  
I'm leaving my life in your hands  
People say I'm crazy and that I am blind  
Risking it all in a glance  
How you got me blind is still a mystery  
I can't get you out of my head  
Don't care what is written in you history  
As long as you're here with me  
I don't care who you are  
Where you're from  
What you did  
As long as you love me  
Who you are  
Where you're from  
Don't care what you did  
As long as you love me  
Every little thing that you have said and done  
Feels like it's deep within me  
Doesn't really matter if you're on the run  
It seems like we're meant to be  
I don't care who you are  
Where you're from  
What you did  
As long as you love me  
Who you are  
Where you're from  
Don't care what you did  
As long as you love me  
As long as you love me  
As long as you love me  
I've tried to hide it so that no one knows  
But I guess it shows  
When you look in to my eyes  
What you did and where you're comin from  
I don't care, as long as you love me, baby.  
I don't care who you are  
Where you're from  
What you did  
As long as you love me  
Who you are  
Where you're from  
Don't care what you did  
As long as you love me
