* How could you be? Did you leave? (Baby what you feel)

How could you? Why so much pain? (Tell me how you feeling me)

What's that you want? Tell me now (Tell me what is real)

I satisfy fantasy (Satisfy your fantasy baby)

Soaking the remedy sittin' back and smokin' the twenty

Should've scared me the hustle and it's so empty

Gotta show envy gotta style of max

I'm like poor back in '84 now smile at that

Unseen ran all over still right in your face

I'm still skinny but the semialtos right in my waist

The tag to jeeps hooties with the raggedy seat

Just imagine how I move it if you havin' a beef
