Narration:

Everyone pay attention now cuz we about to say somethin' serious, yo

Look around our hood and tell me what you see, dog

I see some people with some problems

They need our hands, yo

They definitely need our hands

So what are we gonna do now?

With some love caring we present this song to our next generation...

Forever lasting love one can imagine.

Don't ever let it go, always in you heart.

I can see it in your eyes, yes so cleary.

Your love is into my
