

Shiny Toy Guns, Starts With One

Starts with one
I can't feel
It's all in your mind anyway
I can't heal
Make me feel this way

Now there's two i can't see
I've never felt this way
I can't feel anything anyway

Let's show them the only way
Let's show them our hearts

Only three i can't seem
To get enough anyway
I can't speak
Nothing to say anyway

Let's show them the only way
Let's sew up their hearts

Distorted light moves in
Or am i mistaken?

It feels so cold...

There goes today
It slowly fades...slowly fades away

Here comes today
Never go...never go away
