

# Shirley Bassey, As I love you

I will love you  
As I love you all my life  
Every moment spent with you  
Makes me more content with you  
Just as you are  
You are all I could pray for  
All that you are  
That's what I wake up each day for  
Every single touch and tingle I adore  
Every kiss from you to me  
Always seems so new to me  
Each one warmer then the one before  
As I love you more and more and more  
Every single touch and tingle I adore  
Every kiss from you to me  
Always seems so new to me  
Each one warmer then the one before  
As I love you more and more and more
