## Shirley Bassey, As I love you

I will love you As I love you all my life Every moment spent with you Makes me more content with you Just as you are You are all I could pray for All that you are That's what I wake up each day for Every single touch and tingle I adore Every kiss from you to me Always seems so new to me Each one warmer then the one before As I love you more and more and more Every single touch and tingle I adore Every kiss from you to me Always seems so new to me Each one warmer then the one before As I love you more and more and more
