

# Shirley Bassey, This Is My Life

Funny how a lonely day, can make a person say:  
What good is my life  
Funny how a breaking heart, can make me start to say:  
What good is my life  
Funny how I often seem, to think I'll never find a dream  
In my life  
Till I look around and see, this great big world is part of me  
And my life  
This is my life  
Today, tomorrow, love will come and find me  
But that's the way that I was born to be  
This is me  
This is me

This is my life  
And I don't give a damn for lost emotions  
I've such a lot of love I've got to give  
Let me live  
Let me live

Sometime when I feel afraid, I think of what a mess I've made  
Of my life  
Crying over my mistakes, forgetting all the breaks I've had  
In my life  
I was put on earth to be, a part of this great world is me  
And my life  
Guess I'll just add up the score, and count the things I'm grateful for  
In my life  
This is my life  
Today, tomorrow, love will come and find me  
But that's the way that I was born to be  
This is me  
This is me

This is my life  
And I don't give a damn for lost emotions  
I've such a lot of love I've got to give  
Let me live  
Let me live

This is my life  
This is my life  
This is my life
