

Shirley Caesar, He Will Come

[Talk:]

(He's an on time God, yes He is.
Have you ever called Him and it looked
like He wasn't coming. You paid your tithes,
you did everything that was right, but yet
it looked like you stayed sick all the time.
But I come tonight to tell you He will come.
Look at somebody and tell them He will come.
You been calling on the Lord come on)

You've been calling on the lord
And it seem like he won't come
You've been crying and praying
See what the devil has done
He's taken somebody's home
And he's left them all alone
And i'm calling on you Lord
Please come

He'll come (He'll come)
He'll come (He'll come)
He'll come I know that He will
He's a God thats never too busy
He'll come, yes He will
Expect a blessing any day
The God that I serve
Is gonna make a way

Call him in the morning
Call him in the evening
And He'll come

[Talk:]

(I know that the devil got
some of you thinking that you're
never coming up and out of your problems
and that your brother will always
be in drugs. I know that somebody
got a son thats in jail right now)

Lord what am I going to do
I don't have nobody, nobody
to pay his bail
Lord you've got to see me through
I am trying not to worry
Lord you got to get here in a hurry

Call him in the morning
Call him in the evening
And He'll come

He'll come (He'll come)
I called Him and He'll come
(He'll come)
He's a God that's never too busy
I want you to know He will come
Yes He will

Expect your blessing anyday
The Lord that I serve
Is gonna make a way
Call Him in the morning
Call Him in the evening
And He'll come

[Talk:]

(I know there are those of you who feel that he won't come. But I was reading in the book of Hebrews, the 10th chapter and the 37th verse and it reads: But yet a little while, He that shall come will come and will not tarry, so don't give up and don't give in. Jesus told me to tell you that your healing is on the way)

And He'll come (He'll come)
He'll come (He'll come)
He's a God that's never too busy
And I know He will come
Yes He will
Expect your blessing any day.
The God that I serve is gonna make a way

Call Him in the morning
Call Him in the evening
And He'll come
