

# Shirley Murdock, It's In Your Hands

[Intro talk:]

Father, holy is your name  
Thank you for your love  
Thank you for your great kindness  
Thank you for your tender mercies  
In Your presence is unspeakable joy  
I love you  
You're will be done  
I place everything into your hands

[Chorus:]

It's in your hands  
Lord I've done all that I can  
It's in your hands  
Lord I am placing it all into your hands

I didn't get much sleep last night  
I Tossed and turned until the morning light  
I've been praying for my child  
The last thing the world needs  
Is another child running wild  
I poured my heart out to you  
So that you know that I know that you  
Are a God that cares  
You're Jehovah Shilom  
You're a God of peace  
So I'm placing it all in your hands

[Chorus]

I didn't get to sleep last night  
I've been pacing the floor Jesus  
Talking to you  
And from the looks of things at the hospital  
The doctors believe it's up to you too  
I poured my heart out to you  
So that you know that I know that you  
Are a God who cares  
You're Jehovah Raffha  
The God who heals  
So heal right now  
I'm placing it all in your hands

[Chorus]

And your word says  
Cast your cares on me  
(because I care for you)  
I gave my only Son for you  
(because I so loved you)  
And after you've done all you can  
(You just stand, it's in my hands)  
Weeping may endure  
(for a single night)  
The battle is not yours  
(I will fight your fires)  
So after you've done all you can  
(you just stand it's in my hands)

I will sleep tonight (I won't toss and turn)  
(I won't pace the floor)  
(I will sleep tonight)  
(Everything will be alright)  
When trouble comes on every hand

You're word says for me to stand  
I'll pour my heart out to you  
I'll worship you  
Holy lamb  
On Christ's solid rock I stand  
I'm placing it all in your hands

[Chorus]
