

# Shiro Sagisu, Into the fire

Into the fire I must have no fear  
Ill fly with an aim so true  
Dont you despair  
I must pay the price  
My strength will live on through you  
Into the fire Im burning  
I will give up all I have to give  
Dont be afraid of the darkest hour  
Ill shine for you  
Into the fire  
My courage is so  
My spirit is passed to you  
I have no choice  
My own sacrifice is something I have to do  
Into the fire Im burning  
I will give up all have to give  
Dont be afraid of the darkest hour  
Ill shine for you  
Into the fire Im perish  
I am the power my soul survives  
Cherish my memory long and clear  
Ill shine for you less
