

Shitdisco, 72 Virgins

All you dancing whores
With your flesh on show
Drink your alcopops
With your men in tow
All your hair and your legs
And your painted faces
I've watched them go
To unholy places
I'll take you all with me
Do what you want with me
Do what you want with me
I'll take you all with me
Do what you want with me
Do what you want with me
The world is full of lie and emulsion
white skies
And the skin you're showing off is
going to burn in cider
As the streets run red under empty
skies
But can your love survive?
I'll take you all with me
Do what you want with me
Do what you want with me
I'll take you all with me
Do what you want with me
Do what you want with me
I'll take you all with me
Do what you want with me
Do what you want with me
I'll take you all with me
Do what you want with me
Do what you want with me
Do it in ecstasy
Do it in ecstasy
Do it in ecstasy
Do it in ecstasy
Do it in ecstasy
Do it in ecstasy
Do it in ecstasy
Do it in ecstasy
Do it in ecstasy
Do it in ecstasy
Do it in ecstasy
Do it in ecstasy
I'll take you all with me
Do what you want with me
Do what you want with me
I'll take you all with me
Do what you want with me
Do what you want with me
I'll take you all with me
Do what you want with me
Do what you want with me
I'll take you all with me
Do what you want with me
Do what you want with me
