

Shlash'sSnakepit, Be the ball

Me and a friend decided
To leave our lives behind
Wife, child, credit cards
Get in the car, good-bye
Got some stuff packed in the trunk
Pulled the plunger and closed our eyes
Whatever lane, left or right
It'll be the trip of our lives
Be the ball - Life is one big arcade
Be the ball - The aim is to be the game
Be the ball - The next four minutes are
a total surprise
Be the ball - Hell-bent, damn,
we love to drive
Through the pits and valleys,
Through the tunnels in the maze
We don't know where we're going
But we got the Stones cranked
As fast as the orbit takes us
Is just how fast we'll play
Around the bumpers and
down the drain
We're so out there, we feel no pain
Be the ball - Don't you try to set
your sights
Be the ball - You'll never get it right
Be the ball - Gonna see the
world tonight
Be the ball - Hell-bent, damn, we love
to drive
We love to drive
Drive
Be the ball - The last four minutes
were quite a ride
Be the ball - It's too late to change
our minds
Seen it all - We are amazingly high
Be the ball - Hell-bent, dammit, we
love to drive
