

# Shonen Knife, Bear Up Bison

We're only making plans for da da dirty dirty bison  
We don't like him so much cause he's very ug ug ugly  
We're only making plans for da da dark brown bison  
He has a right to live though he's ill ill ill-shaped  
He's on his way to extinction  
We only want what's best for him  
Bear up bison never say die!
