

Shonen Knife, Blue Oyster

Blue blue blue oyster... oyster poisoning
I go to a restaurant with my friends
All of us eat raw oysters
I feel headache I feel stomachache
Kaki no tatari wa osoroshi.
Blue blue blue oyster...oyster poisoning
I can't sleep well at night
I can't see anything in my sight
I'll never eat it I've had enough of it
Kaki no tatari wa osoroshi.
