

# Shooter Jennings, Little White Lines

I got a problem seems I could use your advice  
Of all the things I need the most and went and got myself a brand new vice  
The first time that I did it I did it till the mornin' sun came  
And now those little white lines, little white lines gonna sizzle up my brain  
I woke up this mornin' didn't recognize my own face  
I was lookin' thin and pale, boys, with little lines all over the place  
Sometimes I wake up with my woman sometimes another man's girl  
And all those little white lines, little white lines gonna set fire to my whole world

Chorus

Little white lines on the highway  
Ill pick you up if you're goin' my way and you wanna roll  
All those little white lines pullin' me down the highway  
Its a dusty, bumpy road if you're goin my way

Got myself in a little mess got busted down around Abilene  
I was goin' way to fast boys feelin' lonesome, on'ry and mean  
That judge said: Shave your face boy I'm kickin' you down the line  
Now those little white lines, little white lines got me doin 20 years of hard time

Oh no! Take me back to the way it was now boy!

Shooter talks

Chorus

Little white lines on the highway  
Ill pick you up if you're goin' my way and you wanna roll  
All those little white lines pullin' me down the highway  
Its a dusty, bumpy road if you're goin my way

Yes Sir

Oh yes Sir

Yes Sir

No I haven't been drinking tonight

Oh my wife's license I think I left them in my other pants

These pills are for my back... I have a bad back.

You want me to what? I aint getting out of this car

You want me to take what? What if I refuse

Ah Man you want me to shave my what?

Oh Hell not this again

Hey man these cuffs are a little too tight.

BUSTED AGAIN?
