

# Show Me The Skyline, Speak Up

Why don't you speak up baby?  
I hear you got a way with words.  
And right now your body sure is talkin' but  
Not in the form of nouns, or verbs.  
I know you're not a fan of holdin' hands,  
But stay with me girl cause I've got a plan  
It's gonna be something you don't wanna miss  
So listen up darlin cause it goes like this.  
Tell me all your hopes girl  
And all your wishes too  
I will do my best girl  
To make them all come true.  
Just name the time, girl  
& while your at it pick the place  
Cause I'll do what I can girl  
To paint a smile on that face  
Never know what'll happen next  
But you flash that smile, and my whole day's set.  
Oh no, you've got me wrapped around your finger.  
Wrapped around your finger  
But this summer, girl I've got good news  
Got two left feet but I'm not afraid to move  
Kick off your shoes and come dance with me  
Oh kick off your shoes, and come dance with me.  
Kick off your shoes and come dance with me  
Oh kick off your shoes, and come dance with me.  
Tell me all your hopes girl  
And all your wishes too  
I will do my best girl  
To make them all come true.  
Just name the time, girl  
& while your at it pick the place  
Cause I'll do what I can girl  
To paint a smile on that face  
I'm looking through these pictures  
And the notes you left for me  
I feel as if you'll always be  
The only one I need.  
So grab a girl and spin and shout  
And move till you can't stand  
Or if you've got a lover  
Boy just take her by the hand (x2)  
Tell me all your hopes girl  
And all your wishes too  
I will do my best girl  
To make them all come true.  
Just name the time, girl  
& while your at it pick the place  
Cause I'll do what I can girl  
To paint a smile on that face
