

Showoff, Track #8

I know
You think I'm gonna
Leave you all alone
But I'm not blind
I'm not like those other guys
You're always on my mind

I won't leave you
I'm here to stay
I won't leave you
And I'm here to go away

I know
You think I wont stay
Right by your side
But I'm not blind
At least you and I will know
That we tried
You're always on my mind

I won't leave you
I'm here to stay
I won't leave you
And I'm here to go away

I know
You think I'm gonna
Leave you all alone
But I'm not blind
At least you and I will know
That we tried
You're always on my mind

I won't leave you
I'm here to stay
I won't leave you
And I'm here to go away
And I'm here to go away
I won't leave...
