

Shwayze, Boomerang

I come and go like a boomerang
Set me free and I'll come back again
To and from like a freight train
Stoppin in your town
I walk in the place, stuck in outerspace
Talkin to my friends they don't know what I say
I'm in the ocean duck, divin the waves
I'm on a mountain been climbin for days
The top of the world is just up the way
Said the blind man wavin a sage
Chapter five, 29th page
Time ain't the only thing move in the day
I gotta go gotta get away
Let the sunset just set away
On the deck tryna catch a ray
Some girl in a dress will say
Please don't leave me
Please don't leave me (woah)
[Chorus]
Stop n go it's just rock n roll
Soul brother on the yellow brickroad
Dressed up, ready to go
With my hair messed up and some regular clothes
Guess what? I'm strikin a pose
So you can make a statue I suppose
Lights camera then I froze
Thoughts of you in my head arose
She loves me like a pedal on a rose
I love her not last pedal on the floor
On the deck tryna catch a ray
Some girl in a dress will say
Please don't leave me
Please don't leave me (woah)
[Chorus]
(woah)
Believe me this time I'm leavin
For a little bit longer than a weekend
And when you see me, I'll be rockin
On your tv I know you're watchin
And I'll be thinkin of you often
Everytime that I see a rose blossom
On the deck tryna catch a ray
Some girl in a dress will say
Please don't leave me
Please don't leave me (woah)
[Chorus: x2]
