

Shwayze, Lazy Days

Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
Well I was walkin' through McAuthor[?] Park
Lookin' for some suger just to cure my heart
And after dark I talk to the cabby
Cause he drives me home if I call him daddy
And it's alright
Just as long as I can get high
Sit back and watch the sunset in the sky
I don't know if you know what I mean
But it's love in Los Angeles
Hey!

Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free [x2]
Walkin' through malibu not a thing to do
Got a find a fine young little girl to screw... over
I never meant to block your sunshine
I never meant to block your sunshine
I never meant to block your sun
I don't know of you know what I mean
But it's love in Los Angeles

Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free [x2]
Now everybody clap your hands
Were gonna do the dirty dance
Now everybody stomp your feet
To the beat (C'mon)
We just wanna get our kicks for free [x3]
I don't know of you know what I mean
But it's love in Los Angeles

Lazy days in Los Angeles
If it ain't your parents it's the damn police
We just wanna get our kicks for free
We just wanna get our kicks for free
[x4]
Lazy dayzzzz [x3]
