

# Shyheim, Don't Front/Let's Chill

1 - Baby don't front you know you want me  
See it in your eyes you can't lie you know you want me  
Give me a little time, Ill make you change your mind  
Im ready if you will so baby let's chill

Verse One:

Settlin' down is the last thing on my mind honey  
No time to be all lovey dovey gotta make this moeny  
So I can get my thug on and pimp the world  
Shorty just hold on and Ima put you in girl  
You're mad sweet and plus you look good like a mutha f\*\*ka  
But Ima playa and not just a one woman lova  
I'm all about skins, diamonds and G notes  
I aint tryin to hit dis one girl now but you never know

Yeah ok but I wanna have your love tonight  
And ya know that I'm gonna do you right  
I know that romance just aint a thang  
But if you give me time we can do this ?here this way

2 - Is it good girl, as it really sounds girl  
Or is it game that youre puttin in my mind girl  
I understand that you wanna spend time girl  
Just keep it real and I wouldn't even mind girl

Repeat 1

Verse Two:

Aiyyo I'ma thug honey, pushin a ? blue montero  
Through the roughest part of any ghetto  
Packin a you know just in case sum grimy fellows wanna touch my riches  
Jiggy'll find 'em in many different muddy ditches  
But is this the lifestyle you wanna live love  
In a game with only two ways to get up at 'em  
Dead or in jail and I aint tryin ta see neitha  
Proceed to smoke the reefer hold on tight to your heata  
Make me a believe, that what you're sayin is sane G  
Would you catch a slug for me better yet die for me  
Of course not, so don't act like ya would  
Shorty rock just keep it real and it's all good  
Word up

Repeat 1

Repeat 2

(1 den 2 again)

Repeat 1 till fade
