

# Sia, Hass Hass (feat. Diljit)

I'm going to take your breath away  
But don't stop running to me

Feel me and the breeze baby  
I'm the ocean sky in heels baby  
I'm the forest and the trees baby  
You're the Royce and I'm the wheels baby

Tera vi Ae Dil Sab Jan da  
Tu jo mili Jappe koi Haan Da  
Laal hoya rang asman da  
Roop jive Nikhri Rakaan Da  
Jithey Jithey Jave Per Rakhdi  
Soniye Barf Vangu Thare Garbru  
Mang Ley Je Dil Lena Chauni Aa  
Has Aas suli uthey chadey gabru  
Mang ley je Dil lena chauni aa  
Has has suli uthey chadey gabru

Translations:

((I have given my heart to you and would love to give away my life for you too  
I swore on your love  
I wanna die in your arms  
Even your heart knows  
We both get along well  
Sky looks as glowing as your beauty  
The way you move and take your each step  
My heart freezes  
Feel free to ask for my heart  
I would be happy to give it away to you))

I'm going to take your breath away  
But don't stop running to me  
Cause I will hold you baby  
If you're my ocean, I'm your wave

Beach uthey hathan vich vine ni  
Hove dove passe iko rhyme ni  
Oh roop tera dhup ch na khur je  
Dand aa patashe kare shine ni  
Bajwe di hoja dub janiye

Translation:

((We are sitting on beach holding glass of wine  
We both are in tune  
You shine so bright I fear sun could tan you.  
Oh girl You be mine))

Mang le je dil laina chauni aa  
Hass hass suli uthey chadey gabru

((Feel free to ask for my heart  
I would be happy to give it away))

I'm yours, my beloved.  
I've placed my life at your feet,  
I want to die in your arms,  
I've ground the flour of your love))
