

Sia, Immortal Queen (feat. Chaka Khan & Bianca)

Get in your time machine and step to the future
Check it, I'm queen every time that you look to
Kid robots bring me champagne
I'ma getcha, getcha, getcha, getcha saying my name
I'm the matrix, gonna play tricks
Gonna cut sick, gonna get my pick, gonna lick, lick
Immunity to obsolescence is my skill
Keep it fresh, fresh, keep my lyrics killer

I'ma dominate (I'ma slay)
I'ma dominate (I'ma slay, slay)
I'ma dominate (I'ma slay, slay, slay)
I'ma dominate (I'ma slay, I'ma slay)

And in one thousand million years
I'ma still be everywhere
You won't forget me
The immortal queen
Before planet Earth was here
I was riding a light-year
And then I was Eve
The immortal queen

Get in your time machine and step to the past, past
Check it, I'm queen from beginning to the last, last
Queen Victoria, Queen of Sheba
Queen of bees, yeah, I'm queen diva
Cavemen bring the cave queen carvings
Feeding the queen while the cavemen starving
Beatniks write for me and my mama
Used to be queen, didn't cause enough drama

I'ma dominate (I'ma slay)
I'ma dominate (I'ma slay, slay)
I'ma dominate (I'ma slay, slay, slay)
I'ma dominate (I'ma slay, I'ma slay)

And in one thousand million years
I'ma still be everywhere
You won't forget me
The immortal queen
Before planet Earth was here
I was riding a light-year
And then I was Eve
The immortal queen

No, you won't, no, you won't forget me
No, you won't, no, you won't forget me
No, you won't, no, you won't forget me
The immortal queen
No, you won't, no, you won't forget me
No, you won't, no, you won't forget me
No, you won't, no, you won't forget me
The immortal queen

And in one thousand million years
I'ma still be everywhere
You won't forget me
The immortal queen
Before planet Earth was here
I was riding a light-year
And then I was Eve
The immortal queen

No, you won't, no, you won't forget me
No, you won't, no, you won't forget me
No, you won't, no, you won't forget me
The immortal queen
No, you won't, no, you won't forget me
No, you won't, no, you won't forget me
No, you won't, no, you won't forget me
The immortal queen
