

# Sia, Original (piosneka z filmu Doktor Dolittle)

boom, woke me from my sleep  
boom, woke me from a dream  
boom, got me on my feet  
boom, think the birds who sing

i ma here to try anything  
I am done whit the suffering  
It's time to stand up and sing  
for my life  
I am here to try it all  
I am ready to take a fall  
cause I am an original  
why deny it?

and I won't risk my life being typical  
I'ma be original, even when it's difficult  
and I won't change myself when they tell me "NO"  
and I won't risk my life being typical  
I'ma be original, even when it's difficult  
and I won't change myself when they tell me "NO"  
I'ma be original  
I'ma be original

I'ma be original  
I'ma be original

boom , run toward the light  
boom I am ready to fight  
boom, the dear ones that live inside  
boom, I faced the darkness night

i ma here to try anything  
I am done whit the suffering  
It's time to stand up and sing  
for my life  
I am here to try it all  
I am ready to take a fall  
cause I am an original  
why deny it?

and I won't risk my life being typical  
I'ma be original, even when it's difficult  
and I won't change myself when they tell me "NO"  
and I won't risk my life being typical  
I'ma be original, even when it's difficult  
and I won't change myself when they tell me "NO"  
I'ma be original  
I'ma be original

I'ma be original
