

Sia, To Be Human (feat. Labrinth)

Underrich flying under the sky
I've been setting highs
I felt you walk right through me

You're the thing that I invoke
My all resistant goal
Sent to make me queazy

And it's hard now
With time it works out

To be human is to love
Even when it gets too much
I'm not ready to give up

All the tigers have been out
I don't care
I hear them howl
I let them tear right through me

Can you help me not to care?
Every breath becomes a prayer
Take this pain from me

And you're so far now
So far from my arms now

To be human is to love
Even when it gets too much
I'm not ready to give up

To be human

Just cause I predicted this
Doesn't make it any easier to live with
And what's the point of knowing it
If you can't change it?
you can't change it /2x

To be human is to love
Even when it gets too much
I'm not ready to give up
Don't give up
