

Sick Kid, Let's Beyblade

Picking up speed
Running outta time
Going head to head, it's a way of life
You gotta fall down, meet ground
To get back up again...
Let's Beyblade!
Spinning it out,
at the speed of sound
Gonna rip it up,
Now the bet is down
We're the team with the bang, our gang
It's the one that's gonna win!
Let's Beyblade, Beyblade
Let's Beyblade, let's beyblade!
Beyblade!
Let It Rip!
