

Sick Of Change, Thoughts That Defile

Our eyes fall on dangerous ground.

Never noticing that each thought could cause us to drown.

What we see is trapped inside of our hearts!!

The densitization of our minds causes us to believe that lust is love.

When lust is something that tear our lives apart.

Soon engulfed by this dependence, brings little meaning to our existence,

soon engulfed by this dependence brings little mean to us.

Our lives will never be the same again.

We can still live with the gift of forgiveness.

It's Gripping me... Breaking me... Causing me to this

reality. Bringing pain to those who those who choose to walk down this deadly road.

These things made to be okay when in reality it makes you fall away from the things your know to b

When i fall, i want to fall in your arms!!!
