

Sick Of Change, With God's Love

A million thoughts going through your head;
I can't imagine how it feels to lose someone that you love.
One day they're here then they are pulled out of your life forever.
God's love will get you through;
let Him put His arms around you.

Days will go by,
even though your life has changed;
your treasures are in Heaven looking down on you.
Life will go on;
you will stand with them again in the presence of the Lord.

God has a strange way of giving us trials to make us stronger.
There are times when we don't understand,
but we need to persevere and move on even though our loved ones have moved on.
