Sick Of It All, Just Lies

from the day that you're born they try to teach you right from wrong put these ideas in your head try to teach you good from bad then they send you of to school fill your head full of rules

it's all just lies what they said just some shit to fill your head they tell you to tell the truth that's a lie in itself it's all just lies what they said just some shit to fill your head don't ever ask them why cause what they say it's all just lies
